### LAST MEETING:

#### Monday, September 17, 2007

Kathy Jones, President of the Exchange Club of North Jackson, called the meeting to order. Jamiella Burnett, one of our new members, gave the invocation, and Ralph Brown, also a new member, led Exchange members present in the Pledge of Allegiance to our flag. The buffet was enjoyed by all.

Kathy mentioned those with birthdays this month—Janie Thacker, Kathy Jones, James Gould, Martin Butler, and Ken Sullivan. The club received a thank you from Virginia Covington and family for the flowers sent to the funeral of Bill Hardy of Jackson, who had been a long time member of our club.

Exchange members have been invited to an open house by the Friends of Alcoholics at 2:30 p.m. on Sunday, September 30, Highway 49 in Pocahtontas, Mississippi. Information was received from the National Exchange Club Foundation about being an official sponsor of the \$1,000,000.00 Hole in One event. We were reminded to check on our members who may be ill or recovering from surgery.

A nice supply of baby safety items was brought to the meeting by club members in observance of baby safety month—outlet covers, drawer and cabinet locks, and other items. Katherine Gould presented a brief program on how to keep our children from harm. Club members joined in with their thoughts on recent headlines about child safety, one of the most heartbreaking being about leaving children locked alone in hot cars. One way this can be avoided is to always put something with the child you would not forget, like a purse, briefcase, or papers, that you would look for before exiting your vehicle. Also, never feed grapes, hotdogs, or nuts to very young children; these objects are just the right size and texture to block a child's windpipe. And never let babies or toddlers play with balloons; they can cause suffocation very quickly. Other safety points were discussed.

A helpful video from the Mississippi Department of Human Services and narrated by a local television personality can be checked out at libraries. It contains twelve segments compiled from "Right from Birth—Building Your Child's Foundation for Life."

Sign-up sheets were passed around for those willing and able to park at the upcoming Mistletoe Marketplace, the major fundraiser for the Junior League of Jackson, which will be held at the Mississippi Trade Mart, November 6-10.

The Happy Bags were won by Jamiella Burnett and James Gould. We were adjourned with our motto, "Unity for Service"..

### PRESIDENT'S COMMENTS:

If anyone has not been able to bring their baby safety items yet, you may bring them to the meeting Monday.

We have a busy season coming up! Remember the "Homecoming 2007" project and invite former members back to Exchange. Our 50<sup>th</sup> Anniversary celebration is coming up in April, so there likely will be interest in renewing acquaintances from their years in Exchange.

See you Monday at the meeting!

*Kathy Jones*

***October is Fire Prevention  
and Crime Prevention Month!***

**Just a reminder:**

Program chairs for November are Al and Emily Dickens, for December are George and Susan Bragg, and for January are Maxine Sullivan and Kathy Jones.
