The North Jackson Exchange Club met on Friday, April 18, 2008, with many welcomed guests, former members, and old friends at the Colonial Country Club to celebrate the 50th Anniversary of the club. Rob Davidson, National President of Exchange, and his wife, Rita, of Tucson, Arizona, and Dennis Norwood, National Vice President, Region 6, and his wife, Delores, attended, representing the National Exchange Clubs. John Blake, Mississippi District President and Denise Strub, District President elect were our guests and many of our district officers attended, also.

Jamiella Burnett welcomed and registered everyone as they arrived and mingled and looked over scrapbooks, trophies, and memorabilia on display, and many old memories and good times were recalled. Also, many new bonds were formed. Jan Powell entertained us with many musical selections.

Angela Butler, North Jackson Exchange president, welcomed dinner guests, James Gould gave the invocation, and L. W. Jones led in the Pledge of Allegiance. Then everyone enjoyed the delicious steak and shrimp dinner.

Ken Sullivan recognized our special guests, and we enjoyed hearing from Rebecca Middleton, Mississippi Director of Division V, and comments from John Blake and Dennis Norwood. We then welcomed Rob Davidson, our National President, with a round of applause. He entertained us with some of his Exchange experiences and brought a few old names to mind—Ed North, Billy Joe Sills, Tom Bailey, and presented Angela Butler with a plaque commemorating the anniversary of the club.

Angela Butler then presented special awards to Jeff Conly and Charles Butler, two founding members of the club. Some old memories were recalled of Christmas tree sales, collecting money in the rain for parking events, and even some Exchangeette events. As time grew short, Ken thanked everyone for coming, and we dismissed with the Exchange Covenant of Service.

Charles Butler, Jeff Conly, Mary Peery, wife of R. B. Peery, founding members of North Jackson Exchange Club, with Rob Davidson, National Exchange President

Thanks, George!

Al and Emily Dickens' home was in the path of the storm of April 4 (they were out of town at the time), but escaped major damage. Also, Louise Culver, wife of Louis Culver who was a faithful member of our club, was affected by the storm; the roof of her house was damaged. If you know of anyone else with any damage, please keep us informed.
